

The logo features a stylized line drawing of an eagle in flight above the text "Audubon EagleWatch Training Session". The word "Audubon" is in a teal serif font, "EagleWatch" is in a grey sans-serif font, and "Training Session" is in a bold black sans-serif font. The background is a light, textured grey.

Audubon EagleWatch Training Session

Co-sponsored by the Alachua Audubon Society

Audubon EagleWatch is seeking volunteers to monitor Bald Eagle nests for the 2017-2018 breeding season. EagleWatch provides valuable information on nesting activity and the current trends of the Bald Eagle population in Florida. As a volunteer, you'll be assigned to monitor one or more eagle nests in your vicinity. The data you will collect helps eagle biologists determine the right conservation measures to ensure the success of the species.
