VOLUNTEER INTERNSHIPS: BIRD & HABITAT CONSERVATION

FALL Semester 2018

Alachua Audubon Society (AAS) seeks student interns for FALL 2018.

We seek individuals motivated to contribute to conservation, education, administration, fundraising and other functions of AAS. Interns must be currently matriculated students (high school or college) in good academic standing. Interns must be able to contribute a minimum of 5 hours per week for at least 12 weeks during a regular academic term. Specific intern activities we anticipate this fall include educational material development (graphic arts), mist netting / bird banding, and social media strategy. Interns may accrue academic credit.
